

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

- 1. Each participant is given 3 votes.
- 2. Participants vote on the ideas they fnd most promising or impactful.
- 3. Collect and tally the votes for each idea.
- 4. Rank the ideas based on the number of votes received.

5. Initiate discussions to further refne and prioritize the top ideas for potential implementation based on the ranking.
